Early Buy Sale!

Once again Pool Tech is able to offer great savings on Bioguard® Pool Chemical products through our **Early Buy Sale!** Purchase at least \$150 (for a pool) or \$75 (for a spa) of your annual chemical needs and take delivery by January 31, 2011 and you will save 25%! Those participating in our Early Buy Sale will also receive a 15% discount on their chemicals for the rest of the season!

This **incredible value** is possible because Bioguard® has given us an offering of the same chemicals you've been using in your pools and spas for years at a much reduced rate, providing we take delivery before the end of the year. Once we sell out of our Early Buy discounted order from Bioguard® we can no longer offer this discount.

So, while supplies last, you will receive the **25% discount** when you meet the purchase minimum of \$150 for a pool or \$75 for a spa. We are also offering a **25% discount** on accessory products such as vacuum equipment, and Spa covers and lifters, during the Early Buy Sale. To take advantage of this great deal you must take delivery of your products during the sale period—by January 31, 2011.

Free delivery of Early Buy chemicals upon request! (*We require a minimum order of \$150 for delivery outside of Cedar Rapids. Additional limitations may apply)

Reserve your spot now! Remember to schedule your pool opening now to get the most out of the swim season. .

Be a Winner! We will be drawing a lucky pool owner and spa owner to receive their order of Early Buy back as a credit on account for more Bioguard® chemicals, pool or spa service, or any other merchandise we offer.

We appreciate your loyalty, and will continue to bring you the best possible products and service you've come to trust. Thank you for your business, and please call with any questions about the Early Buy Sale promotion. We look forward to serving you!

Pooltech—Helping people enjoy water for more than 35 years!
