For the rest of 2019!

Membership in our Early Buy program gives you a 25% discount through February 28, 2019. The discount then drops to 20% through March 31st. The minimum purchase for pool chems is \$300 and the minimum purchase for spa chems is \$150. (Discount is applied immediately to your initial purchase!)

We will deliver with your pool opening or you can pick up at Pool Tech. For the rest of the year you will enjoy a 15% discount on chemicals and on regularly stocked items in our pool store. As always, you will receive FREE water testing with a valid email address, so we can send your digitized reports and reminders.
